GREEN WASTE RECYCLING

Oz Mulch has been operating in the green waste recycling industry for over 25 years. Newcastle Green Waste Recycling is operated by Oz Mulch and provides a centre for the public, tree loppers, landscapers, civil and construction companies in the Hunter to manage their green waste in a sustainable & economical manner.

STRICT CONDITIONS APPLY TO THE TYPES OF MATERIALS WE CAN RECYCLE AND LOADS WILL BE INSPECTED. ANY CONTAMINATED LOADS WILL BE CHARGED AS PER OUR CONTAMINATION CHARGES RATES SCHEDULE.

ACCEPTED MATERIALS

Green waste

Trees

Stumps

Logs

Lawn clippings

Timber waste (not treated or processed)

Pallets, crates, skids, cable reels*
(*Nails/Nail plates, small bolts, light steel strapping in wood waste only)

Site mulch

Saw dust

Timber off-cuts

Compost

Organics

VENM/EMN (Certificate required)

PROHIBITED MATERIALS

Engineered timbers (Painted, treated or composite wood such as particle board, MDF, plywood, melamine, oriented strand board, laminated veneer lumber, glulam or fibre board that are manufactured with glues, resins, water repellents, fire retardents, fungal inhibitors and / or other chemicals)

Treated timber (ie H1-H6, chemical treated)

Painted timber (painted weatherboard, painted floorboards, doors, fence posts)
NOTE: CHEP style died pallets (appear painted - normally blue in colour) are acceptable

General building, putrescible, animal, medical, tyres, radioactive, flammable, explosive or chemical waste

Asbestos, ACM (Asbestos Containing Materials)

Steel, bolts, wire, cable

Rocks, bricks, concrete

General rubbish, plastic, glass

Visit our website
newcastlegreenwasterecycling.com.au
 for tipping rates, location and hours of operation.

GENERAL INFORMATION & TRADE QUOTATIONS

PICK UP & DELIVERY SERVICES

Products as listed are available for pick up or delivery from our yards unless shown as 'Supply to Order'.

PROJECT QUOTATIONS

Requests for project quotations can be emailed to sales@ozmulch.com and we will respond within 24 hours.

For urgent quotations / pricing or general enquiries contact us on **02 4959 4999**.

Prices quoted are GST exclusive (Plus GST) unless stated otherwise.

Quotation valid for thirty (30) days from date of issue.

INFORMATION

Please note that all deliveries are quoted as full truck loads. 13.5 tonne for rigid loads and/or 32 tonne for truck & dogs and/or the applicable cubic meter conversation (unless otherwise stated on the quote). Additional charges will apply for part loads.

Product supplied by volume is done so as loose cubic meters measured by the applicable loader bucket. It is the clients full responsibility to factor in any possible compaction rates or settling of the product.

Please be aware that our deliveries are quoted for the truck to tip off without any hold ups. Waiting time will be charged at the applicable rate for any waiting time which exceeds ten (10) minutes from arrival at site:

LR \$55.00/hr - MR \$66.00/hr - HR \$88.00/hr - T&D \$138.00/hr, excluding GST.

Bulka Bags quoted are one tonne bags (90cm x 90cm x 90cm), supplied loose without pallets. Client is to supply crane or alike to unload in an efficient manner. A maximum of two (2) minutes per bag on site time is allowed for unloading. Any additional time will be charged at the applicable rate.

Upon receiving a load the client takes full responsibility for the product. This includes responsibility for the place in which it has been tipped, permits, permission or approvals to tip in that location and all/any environmental controls which may be required to store and contain the product.

Loads cancelled outside of our office hours or after the truck has been loaded at our yard will incur a truck hire fee for the time the truck is used for that load (from time of loading to time unloading back at our yard).

Please note that ordering from our company automatically means you agree to our charge rates and all terms and conditions both within the quote and that of our full terms and conditions, which are listed in detail on our website: www.ozmulch.com.au

IMPORTANT NOTICE

Please note that all product images and samples, either supplied, shown on our website or presented in our product displays, are prepared with the best intentions of showing the product accurately and in the closest form as to how it will be when supplied, though please be aware that these products are produced from natural material and change from time to time in colour, size, shape and/or appearance. These products may also come with dust or quarry material stuck to them and require hosing/washing to get the desired appearance. Please also note that products also change in appearance when they're wet or dry and can discolour over time and breakdown or decompose. Oz Landscape Supplies accepts no responsibility for any misconception or losses relating to the fore mentioned potential situations occurring. We highly recommend that you personally inspect our product in its actual form in the stockpile/batch prior to each delivery to best see if the product meets your requirements. All products that are sold as cubic meterage are measured by a loose cubic meter with a front end loader bucket.
